FRIDAY.....NOVEMBER 2, 1900.

With the election day four days distant the Republican party rests easy with a good plurality assured that will send Samuel Parker to Washington.

Recruits of former Democrats who declare their intention to vote for McKinley are coming into the Republican ranks so fast that it hardly seems necessary for Bryan to make any more speeches when positive defeat is staring him in the face.

Expert Gray's statement regarding the wireless telegraph system voices the sentiment of all those who have followed closely the progress of Marconi's work in England. The set-back of the local system must of necessity be the result of station location rather than the distance to be covered in crossing the island channels. Mr. Marconi has his dander up and the system has got to work.

The appointment as Washington agent of the Hawaiian Sugar Planters' Association is a recognition of ability and capacity of which Wm. Haywood may well feel proud. This is a position fraught with great responsibility and will demand constant watchfulness in the interests of the all important industry of this Territory. The mission is in no sense political, but as Mr. Haywood is a Republican it goes almost without saying that he will not be unmindful of Hawaii's prosperity in all its phases.

## AUTHOR WARNER DEAD

Hartford, Conn., Oct. 20. — Charles Dudley Warner, the author, and one of the owners of the Hartford Courant, died suddenly this afternoon. Mr. Warner had a very severe attack of pneumonia two years ago while in New Orleans and had never fully recovered from it. Last spring he had pneumonia again while at his home, and this weakened his heart. Of late he had been much better. At noon today he attended a luncheon to bid farewell to some friends about to leave for the Mediterranean. Mr. Warner was cheerful and gave no indication of illness. After the luncheon Mr. Warner started on a walk. Among his acquaintances was a colored man to whom he gave books to encourage his desire to read, particularly books connected with the history of the colored race, upon which Mr. Warner was an authority.

Mr. Warner probably intended to call on this man, as he was in the neighborhood of his house when he was stricken. Probably, feeling ill, he asked leave at a house to sit down, and then to lie down, requesting to be called in ten minutes. When the woman of the house went to call him he was dead. News of his sudden death spread rapidly and was a great shock to his many friends.

## BRYAN IN NEW JERSEY.

New York, Oct. 26.—The second day of Mr. Bryan's campaign tour of New Jersey began at Hoboken today with a meeting in the Lyric Theater. When Mr. Bryan stepped upon the platform he appeared somewhat fatigued, but as his speech progressed, he soon regained his wonted vivacity. He said that he believed that when Democratic principles as now presented were thoroughly understood they would be received as favorably in the East as in the West. He contrasted his reception in the east at this time with the reception in 1896. A large crowd followed Mr. Bryan from the theater to the railroad station and called clamorously for a speech, and he made a brief address from the rear platform of the car.

## Uprising in South China.

London, Oct. 25. — Advice from Lienchau, on North river, say that the American mission property there is threatened with destruction by Boxers, who have posted the following proclamation:

"We have organized to protect our country and our homes, and we rely upon one another to support the order to drive out the foreign devils. They are mad. They folly passes description. They are usurpers of our land. They disturb our borders. In all the provinces and prefectures chapels have been opened and our people are deceived, ripped open and disemboweled, while the foreigners grow fat on the revenues of China, insulting our officials and merchants and seizing our temples and palaces.

"The emperor is indulgent and permits this. Who can foretell the intention of the foreign devils? Day by day they act more and more outrageously. When we observe the present condition of affairs our hearts are bruised with grief. Therefore we have organized our strength to destroy the devouring wolf throughout the empire."

The Boxers took the American Presbyterian mission buildings, but have not destroyed them.

The true Republican will vote the straight ticket, from Parker down.

## Vanderbilt in Control of Southern Pacific

New York, Oct. 26.—The Times says: The Vanderbilts have obtained control of the Southern Pacific system.

Negotiations aiming at this accomplishment were begun two years ago but were summarily disposed of by C. P. Huntington. The property was his, he said, and, owning it, he proposed to keep it.

The control of the Southern Pacific system, it can now be said, has now been obtained by American financial interests not hitherto identified with the property. Conspicuous in the syndicate obtaining the new control are William K. Vanderbilt, E. H. Harriman, James J. Hill, Norman B. Ream and James Speyer, the latter, as the associate of Mr. Huntington, having been conspicuously influential in the direction of the company's affairs for years past.

Within the past week Wall street became excited over the discovery that control of Mr. Huntington's Pacific Mail property, had passed to E. H. Harriman and his associates, including James J. Hill and W. K. Vanderbilt. It is certain that in the Southern Pacific deal (whereby Vanderbilt interests will control) the corporation of the Pacific Mail Steamship Company can be of vast interest. Aside from the Vanderbilt ambition to establish and maintain a transportation line from the Atlantic coast at New York to San Francisco and thence to the far East (made practicable by New York Central, Northwestern, Union Pacific and Pacific Mail) the taking over of the Southern Pacific is an accomplishment greater than any other coalition hitherto forecast.

It is believed by practical railroad managers that with the Southern Pacific Railway system under a direct Vanderbilt control there will be at once a complete disposition of most of those elements which hitherto have been interfering with far Western and Southwestern traffic rates.

Vote the Straight Republican Ticket  
Don Dickinson is  
In Line for McKinley

Washington, Oct. 22.—Don M. Dickinson, who was Postmaster General in the first Cabinet of President Cleveland and who still is one of Mr. Cleveland's closest personal and political friends, has written a long letter to a gentleman in this city. In part, it is as follows:

"I am a Democrat on all the fundamental issues on which our party joined battles in the past with the Republicans, the Whigs, and the Federalists. A Democrat without the prefix 'gold,' because my party has been the party of sound finance from Jefferson to Cleveland. I could not be a Republican if I would, and I say the creed of Democracy with all my old-time sincerity and faith. But I recognize scarcely a vestige of Democratic principle in either the Chicago or Kansas City platforms.

"The organization is in the hands of the Populists, and by those the livery of true Democracy has been stolen in which to serve all the devils that make for social disorder. Mr. Bryan is preaching the gospel of hate. Voicing that, he appeals to the envious, the discontented, the improvident, the incompetent and the unworthy idle."

Mr. Dickinson further says he will vote for McKinley and Roosevelt.

## HUGH JOHN McDONALD OUT.

[Associated Press Special.] St. Paul, Minn., Oct. 26.—A Winnipeg, Man., special to the Despatch says: Hugh John McDonald resigns the premiership on Monday and R. P. Roblin will be sworn in. Roblin in a speech denounced former Premier Greenway in warm terms and said there would be no secret railway deals under his government. Hon. James Johnson is withdrawing from the Cabinet and Robert Rogers will take his place as Minister without portfolio. At the by-election in Morris tomorrow, Hon. R. Campbell will be elected. Richardson's election in Lisgar is now generally conceded.

## Sentenced for Life.

Georgetown, Ky., Oct. 25. — The jury in the case of Henry Youtsey, on trial on the charge of being a principal in the Goebel assassination, returned a verdict of guilty this morning and fixed the penalty at life imprisonment. It was learned from one of the jurymen that a ballot was taken last night. This morning the vote was unanimous that Youtsey was guilty. Then the degree of punishment was fixed.

## PLANS OF OOM PAUL

[Associated Press Special.] Paris, Oct. 26.—Dr. Leyds, Transvaal agent, was questioned today with reference to the plans of Former President Kruger. He said:

"Most of the stories published on the subject are imaginary. Mr. Kruger will land at Marseilles and I shall go to meet him. But it is not true that I have seen M. Delcasse (the French Minister of Foreign Affairs) or that I am in any way arranging a reception, which will be entirely in the hands of the French themselves. Nothing has been definitely decided as to the details of Kruger's stay in Europe. But Mr. Kruger is an old man and not accustomed to a cold climate, so it is likely he will sojourn in the neighborhood of Nice for the winter. I have no reason to believe there is any ground for the statement that President Kruger intends to visit President McKinley.

## Arnold's Son Embezzler.

New York, Oct. 26.—Julian Arnold, son of Sir Edwin Arnold, the author of "The Light of Asia," arrived in this city yesterday with two Scotland Yard detectives who will accompany him to London where he will be tried on charges of embezzling \$140,000.

## JUDICIARY JOTTINGS

The estate of Naomi Kaahue, the woman murdered by Puuoa, is valued at \$10,445.25 by John K. Prendergast, administrator.

W. O. Smith, administrator, returns the value of the late Henry D. Roberts' estate at \$15,194 with \$11,150 liabilities.

Waialua Sugar Co. has answered the bill for specific performance of B. F. Dillingham, saying the plaintiff gave the Hols no consideration on the alleged agreement of lease, whereas John Emmeluth, in good faith and without knowledge of Dillingham's contract, effected an agreement of lease at \$10,000 a year and conveyed the contract to defendant for \$1 cash and 1500 shares of stock of a par value of \$100 a share.
